DISASTROUS FIRE IN BUTTE,

In Which one Man is Burned to Death and Another Dies from Injuries Received.

SAN FRANCISCO, April 24.—A Chronicle special from Butte, M. T., says: The Centennial hotel was destroyed by fire early this morning. Jesse B. Gladding, a miner, formerly clerk of the hotel, perished in the flames, and his body burned to a crisp. Frank Lincoln, assistant postmaster of Butte, died from injuries a few hours after being rescued from the burning building. There were over 100 other guests, men, women and children, in the hotel at the time the alarm was raised, who barely escaped with their lives, many sustaining slight injuries. The hotel was a two-story frame, and its destruction occupied only thirty minutes. The guests escaped in their night-clothes, losing all their personal effects. The loss on the building and contents is \$50,000; insurance, \$5000. George W. Newkirk, saloon, \$3500.

Erin's Flag May Float.

NEW YORK, April 24.—The board of aldermen had a lively session to-day, when the resolution curtailing the mayor's power in displaying flags on the city hall was offered for passage, over Mayor Hewitt's veto. By the ordinance, the mayor had unlimited power over the flags. The resolution passed over his veto by a vote of 20 to 3. It gives the mayor power, unless the aldermen otherwise direct. The whole trouble grew out of the mayor's refusal to display the Irish flag on the city hall on St. Patrick's day.

To Stump Oregon.

WASHINGTON, April 24.—It is said to-day that the republicans of Oregon have decided to invite John F. Swift of California to stump Oregon during May. The Oregon senators are very much pleased that Mr. Swift is to go to Oregon. They think he will be able to present the absurdities of the free traders as strongly as any one who could be sent there at this time.

In Favor of Blaine.

LOS ANGELES, April 24.—The Los Angeles county republican convention to-day passed a resolution endorsing Blaine as its first choice for the presidency. Most of the delegates made big speeches, also favoring Blaine. They were not, however, instructed.

Army Assignments.

WASHINGTON, April 24.—The president issued an order to-day assigning Major-General Crook to command of the department of the Missouri, and Brigadier-General Brooke to the command of the division of the Platte.

Stanley with Emin Bey.

BERLIN, April 24.—Dr. Junker, the explorer, in a lecture before the Geographical Society, expressed his firm conviction that Stanley is now with Emin Bey. This is the opinion of all the leading German explorers.

Worth Knowing.

Mr. W. H. Morgan, merchant, Lake City, Fla., was taken with a severe cold, attended with a distressing cough and running into consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse. Was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures, as Dr. King's New Discovery for consumption. Guaranteed to do just what is claimed for it.—Trial bottle free at H. W. Cox's drug store.

Two Changes.

Rollo Kirk Ryan, the marvelous talker, who draws such wonderful pictures with four colored crayons, using both hands at once, will give the school children a free treat, by a short entertainment at 4 P. M. The musical prodigies will also play on the cornet. A pay entertainment at night, for the benefit of the W. C. T. U.

Scotch Entertainment.

The Scotch entertainment at the opera house next Friday evening promises to be on the most interesting programs given in this city for a great while. None should fail to see and hear it. Some of the best talent here and elsewhere will assist. Look out for the Scotch laddies and lassies.

Renews Her Youth.

Mrs. Phoebe Chesler, Peterson, Clay Co., Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do all my own housework. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all disease and pain." Try a bottle, 50c. and \$1. at H. W. Cox's drug store.

Backen's Arabia Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chibblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Dr. H. W. Cox.

Cheap Whisky Club.

The Union League club of New York, made up largely of trust-robber monopolists, has declared by a vote of 8 to 1 in favor of free whisky and tobacco and the loss of the 120 millions of revenue derived therefrom. The exact language of the resolution which the club adopted, to its lasting disgrace, is as follows: "We advocate at the earliest practicable day the abolition of the internal revenue department of the United States as the safest and wisest way of reducing the surplus in the treasury and preserving unimpaired the great principle of protection to American industry." Thus the alleged republicans of the Union League club plant themselves on the same platform with Confederate Senator Joe Brown of Georgia and the illicit moonshine whisky dealers of the south. They are seeking fellowship with the clay-eaters who are willing to go barefoot and keep their families in rags, provided their jugs are well filled with cheap whisky and the expense of getting drunk is made low. This club demand for war taxes on necessities of life and for cheap intoxicants and narcotics is immoral, vicious, and peculiarly shameful when made by pretended republicans.

It is doubtful whether the republican party could carry a single state in the north on the dear-clothes and cheap-drunk platform of the New York Union League club.—Chicago Tribune.
